The primary responsibility of the Chamber of Commerce is to support and promote economic development, tourism, and community development in Geneva County and the surrounding area.

Since 1981, the Chamber has been serving as the leading advocate for business and community growth and success in the Geneva County Region. The Chamber serves as an instrument through which businesses can join together to leverage time, talent, and resources to accomplish projects and events that would not be possible individually. Your membership in the Chamber is a vital part of the big picture.

As a member of the Chamber of Commerce, you will have instant credibility within the Geneva County business community and invaluable opportunities to network with other local businesses. These networking opportunities will allow you to meet with other business leaders, recruit new customers, and establish your desire to help create a prosperous business community.

The activities and programs of the Chamber of Commerce are envisioned, designed and executed around a single, simple and direct vision: ***“Empowering Prosperity by Providing Programs and Services that attract and retain businesses while enhancing the economic vitality and quality of life in Geneva County”.***
